

MEONCROSS
SCHOOL

**‘Transport To School’
Arrangements
Academic Year 2016-2017**

Background

Meoncross School currently operates 4 Bus Routes to and from school on a daily basis. (Pupils may choose to use the bus as often as they like (Subject to availability of seats), and we base the size of vehicle on demand for the route. We would therefore encourage places to be booked in advance on an annual basis, to help ensure we are operating the correct size of vehicle to cater for demand. Places are then allocated on a first-come, first-served basis. You will find details of the prices for 5 day return journeys detailed in the following pages, and termly commitments for any lesser number of journeys are priced on a pro-rata basis at a higher rate, an example of which can also be found.

Ad hoc or occasional trips are also possible provided there are sufficient seats available on the respective vehicle, and are charged at a price per journey, payable by cash to the school office in advance of the trip. Details of these prices can be found in the following pages. Again this is subject to availability, and we would therefore encourage a regular advance booking.

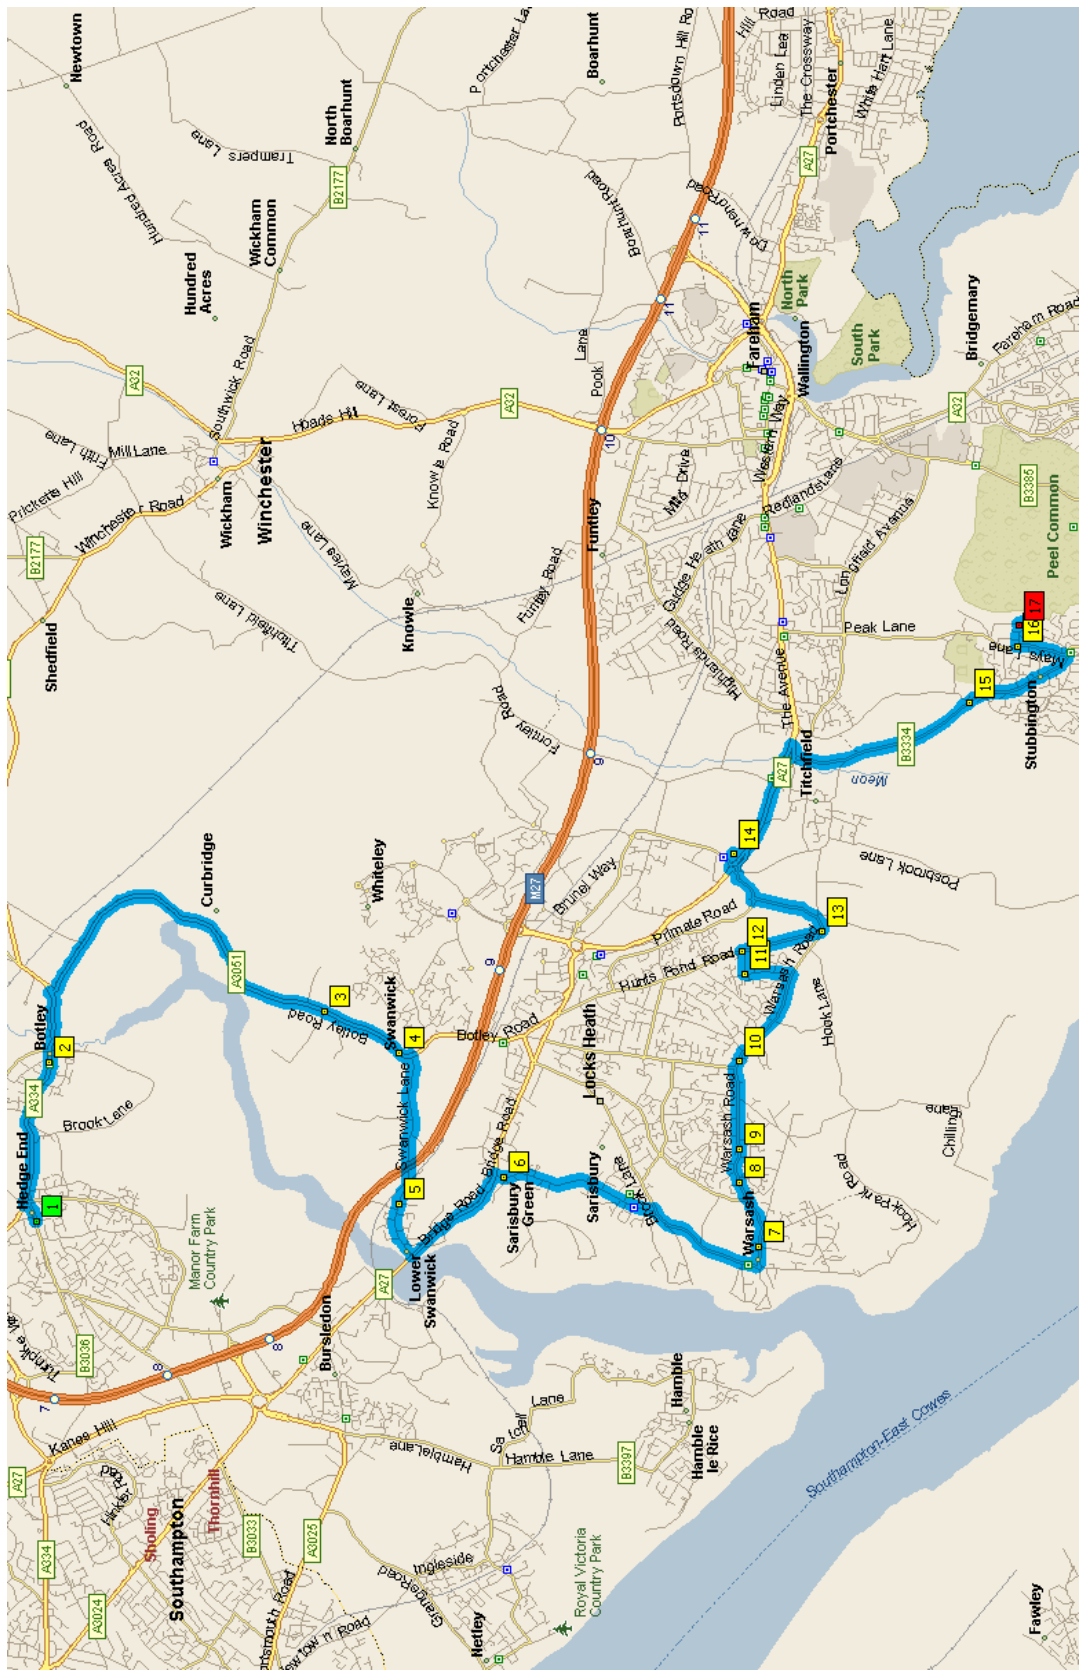

If you wish to book a regular place for your son/daughter on school transport then parents of existing pupils should contact the school office, and parents of prospective pupils, the Admissions Team.
