School Bus Services

Academic Year 2016 -17

Transport to School

Meoncross School currently operates four bus routes, to and from the school every weekday during term time. Annual booking is encouraged, to ensure that we are able to service the demand for places. The size of vehicle used is governed by the demand for places on each route.

Bookings

Pupils may use the bus as often as they like, either regularly or for ad hoc journeys. Places are allocated on a first-come, first-served basis and are subject to availability of seats. Ad hoc journeys are charged at a price per journey, payable by cash to the school office in advance of the trip.

If you wish to book a regular place for your son/daughter on school transport this can be arranged through the school office during term time, by emailing enquiries@meoncross.co.uk or by telephone 01329 662182.

Prospective parents should complete a 'Request for School Transport' form, available from the Admissions team.

Charges

Prices for five, day-return journeys are detailed in the following pages. Termly commitments for any lesser number of journeys are priced on a pro-rata basis at a higher rate, an example of which can also be found.

Stops

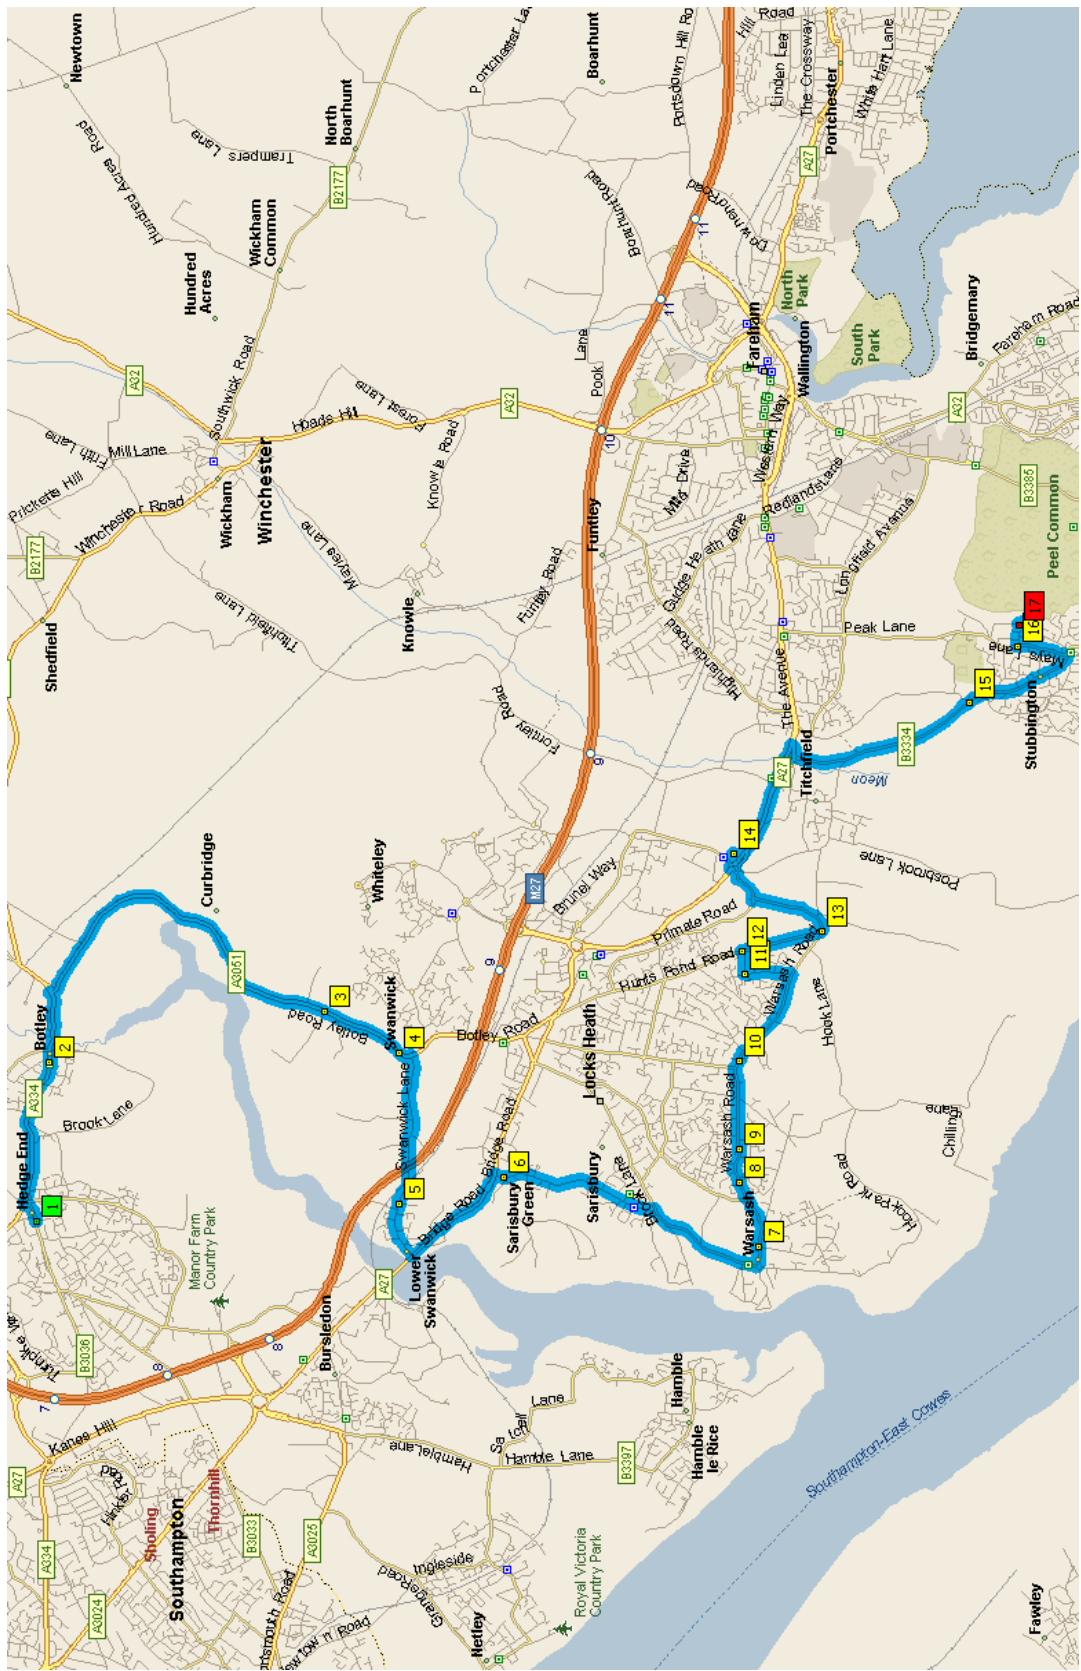

Buses may stop at any official bus stop along the advertised route.
